SUBASH KUMAR P

Java Developer — Fresher

subash18062006@gmail.com | +91 6380170412 | LinkedIn | GitHub | Chennai, Tamil Nadu

PROFILE SUMMARY

B.Sc. Software Systems graduate with a strong foundation in Core Java, Object-Oriented Programming, Java Collections, exception handling, JDBC and SQL, along with hands-on knowledge of HTML, CSS, JavaScript and React. Built projects covering database-driven CRUD applications in Java and a full-featured e-commerce web application using React. Quick learner with a strong interest in Java software development, clean coding practices, and problem-solving.

TECHNICAL SKILLS

Programming Languages	Java, SQL, JavaScript
Core Java	OOP (Encapsulation, Inheritance, Polymorphism), Constructors, Methods, Arrays, Exception Handling, Java Collections Framework, Basics of Multithreading
Backend & Database	JDBC, SQL, MySQL, Maven, basic schema design
Web Technologies	HTML5, CSS3, JavaScript (ES6+), React.js, JSX, Hooks, React Router, Responsive Design
Tools & Platforms	Git, GitHub, VS Code, IntelliJ IDEA, MySQL Workbench, npm
Currently Learning	Spring Boot, REST APIs

PROJECTS

Employee Management System | *Java*, *JDBC*, *SQL*

- Developed a console-based Employee Management System in Java using JDBC and a SQL database.
- Designed the employee table and managed the database using MySQL Workbench.
- Executed SQL queries (INSERT, SELECT, UPDATE, DELETE) through JDBC to manage employee records.
- Implemented full CRUD operations (add, view, update, delete) through a menu-driven interface.
- Applied OOP principles: encapsulation, constructors and modular methods for reusable code.
- Handled exceptions, including SQL exceptions, for stable execution and clear error messages.

Furniro – E-Commerce Furniture Website | *React.js*, *React Router*, *Context API*

- Built a full-featured e-commerce furniture website (Furniro) using React.js, React Router and Context API.
- Developed Home, Shop, About, Contact, Cart, Checkout, Favorites and Blog pages with reusable components.
- Implemented global cart and wishlist state management using CartContext and StoreContext.
- Added product filtering, search, pagination and category-based browsing on the Shop and Blog pages.
- Designed fully responsive layouts for desktop and mobile, and deployed the live app on Vercel via GitHub.

EDUCATION

B.Sc. Software Systems — Sri Krishna Arts and Science College, Coimbatore 2023 – 2026 | CGPA: 6.93

HSC — CSI Corley Higher Secondary School, Tambaram, Chennai 2022 – 2023 | 65.5%

CERTIFICATIONS

- Full Stack Development Course — Besant Technologies, Tambaram, Chennai
- Oracle Autonomous Database Cloud — Oracle
- Developing Soft Skills and Personality — NPTEL
- Introduction to Java — Spoken Tutorial
- Introduction to RDBMS — Spoken Tutorial

LANGUAGES

English, Tamil
